The second edition of the **ASSET Summer School** [5] will be held at the Istituto Superiore di Sanità (ISS) in **Rome, Italy** from **June 15 to 17, 2016**.

Pandemics and other major infectious disease outbreaks management requires a multidisciplinary approach and the ASSET

Summer School focuses on

- Governance of pandemics;
- Unsolved scientific questions about epidemics and pandemics;
- Crisis participatory governance;
- Ethical, legal and societal implications of pandemics;
- Gender pattern ? vulnerability;
- (Issues related to) intentionally caused outbreaks.

See the [program](#) <sup>[6]</sup> here

### **NEW IN THIS EDITION**

- In the 2016 Summer School edition, attendants will be given the possibility to present and share their own projects, researches, activities and experiences developed in the field of interest!

### **WHAT DOES THE SCHOOL AIM TO?**

- Establish an interactive learning space for professionals involved in Science in Society (SiS) related issues in Pandemics;
- Share and exchange issues related to conducting and communicating research in SiS according to a transdisciplinary perspective, ranging from public health to social science and communication;
- Address and critically discuss current discourses on research methodologies and findings as well as on practice-based cases.

### **HOW IS THE COURSE DEVELOPED?**

- The learning approach used in the ASSET Summer School is typically interactive and participatory in lessons given by top experts or witnesses in the field; exchange of study- or practice-based experience; mainly case studies.

### **WHO SHOULD ATTEND?**

- Professionals with a background education and a working experience in the fields of: medicine, public health,

philosophy, social science, communication, health care, health economics, administration (max 20). Fields of education and working experience can be different.

- PhD students undertaking courses of study in the above mentioned areas

## **REGISTRATION FEE**

- No registration fee is required
- Attendees will receive: School materials, lunches and refreshments during the course

## **TRAVEL & ACCOMMODATION**

- Travel and accommodation expenses are on participants account.
- Travel grants will be available for 4 students. They will be selected within the evaluation process of CV and motivation letter filled in the registration form.

## **HOW TO APPLY**

- The deadline for application is on May 5, 2016. The application form is available [here](#) [7].
- Applicants will be informed about the result of their application within 2-3 weeks after the submission of the form.

*IMPORTANT NOTICE: please, do not make any travel arrangements before attendance is confirmed*
