Changing the citizen behaviour to improve public health and increase vaccination awareness ? Carta Italiana

A very recent and innovative example of good practice concerning awareness campaigns is the ?Italian Chart for the Promotion of Vaccinations?, a recent call for action whose website is: <http://www.teamvaxitalia.it/>. Namely, the Chart is the result of the efforts of the ?TeamVaxItaly? movement that had been founded in a civil society meeting in Fano (Italy) in October 2015.
